About the Ride Virginia's 2A Freedom Ride The Historic 5 & Dime Route Join riders from across the Commonwealth for Virginia's 2A Freedom Ride an unforgettable day of scenic roads, fellowship, and promoting responsible firearm ownership through education and training. As Virginia approaches new firearm laws taking effect on July 1, this ride offers an opportunity to come together for one last ride before the changes take effect. More than just a motorcycle ride, the event celebrates the traditions, freedoms, and sense of community shared by riders from all walks of life. Beginning at Richmond Harley-Davidson, the Historic 5 & Dime Route winds through some of Virginia's most enjoyable roads with planned fuel stops, a stop at Williamsburg Premium Outlets, and a memorable crossing over the Benjamin Harrison Memorial Bridge before concluding at Steel Horse Harley-Davidson. Whether you ride a Harley-Davidson, Indian, Honda, Yamaha, BMW, trike, Can-Am Spyder, Slingshot, or another street-legal vehicle, all are welcome. Riders may choose to participate with or without a rifle. Safety, education, and responsible firearm ownership remain at the heart of this event. Virginia's 2A Freedom Ride is committed to fostering a culture of respect, preparedness, and responsible citizenship. Through fellowship, education, and shared experiences, we hope to strengthen our community while enjoying the open road together. From Richmond Harley-Davidson to Steel Horse Harley-Davidson, the Historic 5 & Dime Route promises beautiful scenery, great company, and memories that will last long after the final kickstand goes down.
